

Interested in Teaching Technology?

TEAP Wilkinson Scholarship

Each year the Technology Education Association of Pennsylvania awards two \$1000 scholarships to assist outstanding technology education students in their preparation as technology education teachers.

The purpose of the scholarship is to promote the growth and leadership of prospective technology education teachers. It is to be used for paying

undergraduate tuition and fees at a Pennsylvania university preparing technology education teachers. Scholarship applications are available from the Scholarship Coordinator or on-line at:

www.teap-online.org/awards/wilkinson.htm
